COUNTY AND CITY ORGANIZATION.

Resolved, That without at all undertaking to interfere with the right of each county and city by its own local committee to determine its own plan of organization as provided by the State Convention, this committee recommends to the local committees, as far as practicable, to conform to the plan of organization under which the canvasses of 1869 and 1871 were so successfully conducted.

ADDITIONAL COUNTY CANVASSERS.

TREATMENT OF INDEPENDENTS AND BOLTERS. Resolved, That while this committee expressly disclaims the right or the purpose to nterfere in the choice of candidates or in the conduct of local elections, it does claim the right and declare their earnest purpose not only to throw the whole weight of the party organization against Radical candidates everywhere, but in accordance with the resolution unanimously adopted by the State Convention, to treat bolters from our organization, or opponents of our candidates, in all respects as Radicals.

PLAN OF '69 AND '71.

Resolved. That until the several cities and counties of the State shall have organized the Conservative party in their respective districts in conformity with the plan of organization prescribed by the late convention, the organizations authorized by the plan of '69 and '71 shall be respected and continue to be in force, and the Executive Committee of the State shall exercise the power of perfecting the organization in such cities and towns where the same is de-
